

CAST IRON POST & BOLLARD COLLECTION™

CAST IRON POST & BOLLARD COLLECTION™

CAST IRON POST & BOLLARDS

Fence, gate and post makers for the last 117 years, Stewart Iron Works is internationally recognized for fine ornamental ironwork in residential, commercial and historic restoration projects.

All cast iron posts and bollards are created from Stewart Iron Works extensive collection of patterns dating back to 1886. We also can create custom post patterns per your request.
